DETAILS

Pujadas presents the only 50x50 cm dishwashing, glassware and cutlery baskets that can have open or closed side walls, without having to change the basket, thanks to side flaps, which come in 6 standard colours, which are removable and replaceable. A system patented by Pujadas known as FLAP-RACK. On request, these side FLAPS can be easily customized with a corporate logo, the name of the dish or drink or even the colour. In addition, this system allows the height additions to be easily assembled and disassembled, thus allowing the height of the baskets to be adapted to the glassware or crockery. Designed to improve washing, transport and storage of dishes safely and hygienically. Ideal for catering and communities.
