

flexeserve Zone®

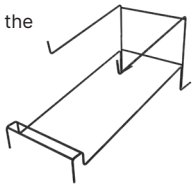

Official Accessories

METRIC

Flexeserve Zone 2 Tier Countertop Accessories

Mezzanine Rack

Increase your capacity by 50% and present products in the best way using the 2 tier rack.

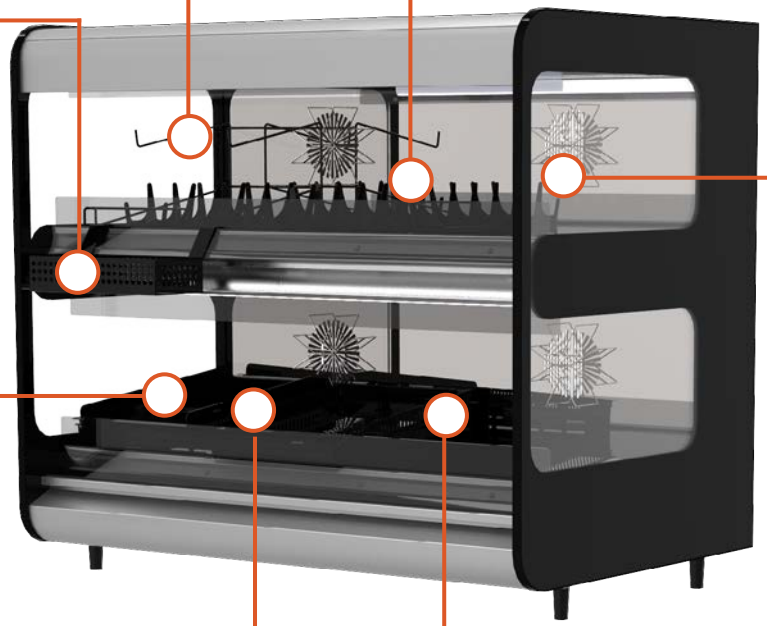

Condiment Displays

The ideal way to offer impulse add-on sales of jams, honey, sauces and dressings to complement your hot products. Simply hook onto the shelf in front of your porridge, breakfast sandwiches, fries and more.

Angled Merchandiser

Angle products towards the customer's view to showcase colourful foods and create a more visual impact.

Divider

Use the handy dividers to seperate different foods on the angled merchandising insert.

Merchandising Tray

Merchandise your products back-of-house for an efficient way of filling Flexeserve Zone. Merchandising racks easily click into the trays for a safe way of transporting to front-of-house. Trays can also slot into the angled merchandising insert for improved product visibility.

Narrow Rack

Present your hash browns, pizza slices, flatbreads and more in the perfect way for visual impact, whilst at the same time increasing capacity.

Standard Rack

Perfect for displaying breakfast sandwiches, paninis, wraps and burritos. Double your product volume and improve visibility with one accessory.

Signage Holder

Designed to enhance the visual impact of your display with quick and easy installation with a slide in graphic.

Night blind

Use the night blind to close the unit down when not in use. The blind can be utilised for marketing or branding.

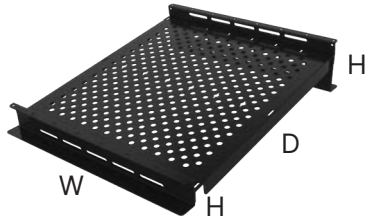

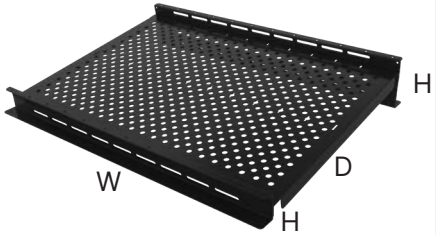

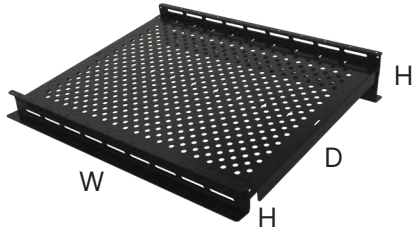

Back panel kit

Use the back panel kit to improve the appearance of the rear of the unit in situations where it may be in view of the customer.

Flexeserve Zone 4 Tier Floor Standing Rear Feed Accessories

Narrow Rack

Present your hash browns, pizza slices, flatbreads and more in the perfect way for visual impact, whilst at the same time increasing capacity.

Condiment Displays

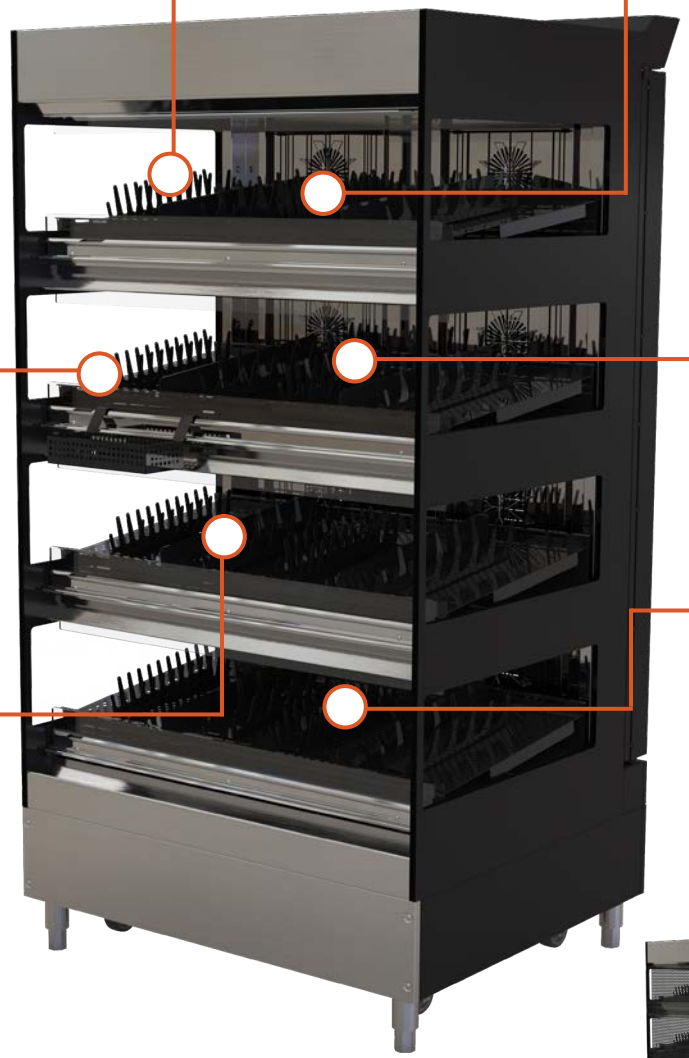

The ideal way to offer impulse add-on sales of jams, honey, sauces and dressings to complement your hot products. Simply hook onto the shelf in front of your porridge, breakfast sandwiches, fries and more.

Angled Merchandiser

Angle products towards the customer's view to showcase colourful foods and create a more visual impact.

Standard Rack

Perfect for displaying breakfast sandwiches, paninis, wraps and burritos. Double your product volume and improve visibility with one accessory.

Divider

Use the handy dividers to seperate different foods on the Angled Merchandisers.

Merchandising Tray

Merchandise your products back-of-house for an efficient way of filling Flexeserve Zone. Racks easily click into the trays for a safe way of transporting to front-of-house. Trays can also slot into the Angled Merchandisers for improved product visibility.

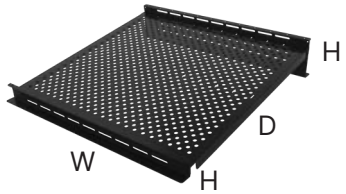

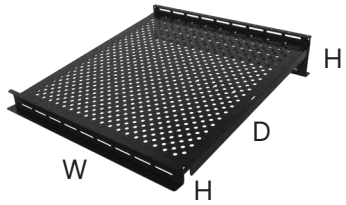

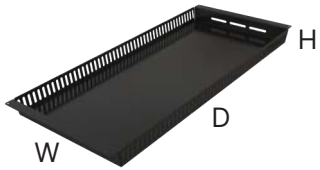

Night blind

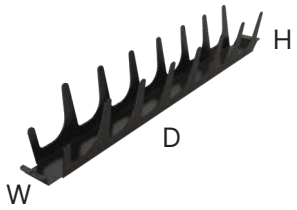

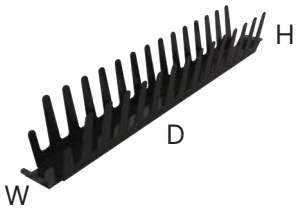

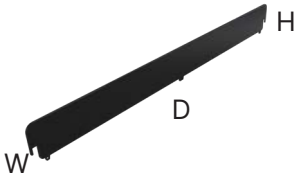

Use the night blind to close the unit down when not in use. The blind can be utilised for marketing or branding.
