12-ounce Traex® Color-Mate Twin Tip™ clear squeeze dispenser with brown top

Provide easy access to popular condiments with the Traex Color-Mate Twin Tip squeeze dispenser by Vollrath. With this dispenser, you'll be able to provide easy, mess-free service, every time! The durable yet flexible polyethylene construction is easy to squeeze for fast service, and the clear bottle offers excellent visibility, allowing you and your guests to identify the contents at a glance. Meanwhile, the brown top fits perfectly into your color-coded system. The Twin Tip design saves time in high-volume areas and allows you to quickly dispense condiments on larger food items like salads, sandwiches, and more. Cut the tips to dispense more viscous sauces, or leave as is for thinner liquids. Thanks to the clearly embossed capacity graduations, it's easy to monitor and control portions. Both the bottle and the top are dishwasher safe, for fast, convenient cleaning.
