24-ounce Traex® FIFO clear squeeze dispenser with brown Tri Tip™ and brown base cap

Serve the freshest condiments with confidence from the Traex® first-in/first-out squeeze dispenser. Traex® FIFO squeeze dispensers fill from the bottom but dispense from the top, for improved food safety and less waste. The clear 24-ounce bottle enhances product visibility, and a wide mouth on each end makes refilling and cleaning easy. Perfect for high-volume areas, the patented Tri Tip™ saves time by allowing you to quickly dispense condiments on larger food items like salads and sandwiches, and tips can be cut to accommodate thicker dressings, sauces, and condiments.
