Product Family: Super Pan 3

Two-thirds-size Super Pan 3® stainless steel steam table tray

The sleek Super Pan 3 steam table tray is impressively efficient, making it a valuable addition to your steam table. The stainless steel construction is durable and long-lasting, while reinforced spout-shaped corners make it easy to pour and scoop out food. Thanks to flat edges with higher rims, this tray prevents steam loss, making it notably more efficient than weaker trays with bent edges. Antijam stacking lugs enable easy separation and lifting of the tray, so removal and transportation are quick and easy.

Features & Benefits
