Perforated pastry tray 40 x 30 cm aluminum

Elegant, versatile and efficient, the perforated pastry tray by Pujadas produces exceptional baked goods. The aluminum construction is strong, lightweight and ensures even heating for superior results. This tray features perforations that improve airflow, leading to shorter baking times and crispier bottom crusts. The small rim allows easy gripping and prevents items from falling off, with a 45-degree angle for convenient stacking. Designed specifically for pastry ovens, this tray is ideal for candies, pastries, breads and more.
