Product Family: Aluminium Fry Pan

Alu Pro blinis frying pan 12 centimeter aluminum with nonstick coating

With its flat, compact design, this Alu Pro blinis frying pan by Pujadas is perfect for small items like fried eggs or pancakes. The aluminum construction is strong, yet lightweight, and offers even heating for superior results. The nonstick coating ensures smooth release to maintain the shape and quality of your food items and is exceptionally easy to clean. This pan features a flat, angled handle that keeps hands at a safe distance from heat, which makes it an excellent choice for all-day use. Rivets promise a secure connection, and a hang-hole provides a convenient storage solution. With a plain base, this 12-centimeter pan is ideal for gas, vitroceramic and electric ranges.
