Black Pro Non-Stick Grill Plate 45 x 27 cm with Handles

The Non-Stick Grill Plate with handles is designed for high-performance grilling, delivering professional results every time. With a round induction base, this grill plate ensures efficient heat distribution, making it ideal for achieving those perfect sear marks on meats, vegetables, and more. The thick forged aluminum construction offers excellent heat retention, while the three-layer non-stick coating ensures easy food release and durability, even under heavy use. The silicone handles provide a secure, heat-resistant grip, allowing for safe handling from stovetop to serving table. Whether you're using induction or traditional cooktops, this grill plate provides exceptional versatility and consistent performance.
