Product Family: Cast Aluminium Roast Pans

Transparent Lid for Roaster

This transparent glass lid is designed to perfectly complement your 32 cm cast aluminum rotisserie dish. Featuring a durable stainless steel rim, it provides style and functionality. The lid is equipped with a steam outlet valve to help regulate heat and moisture during cooking, ensuring your roasts come out tender and flavorful. Its clear design allows you to monitor the cooking process without lifting the lid, saving heat and energy. Compatible with the deep roast pan, this lid is the ideal addition to complete your rotisserie setup.

Features & Benefits

- 32x20 cm lid, designed for compatibility with P144532
- Transparent glass allows for easy monitoring while cooking
- Durable stainless steel rim enhances longevity and prevents chipping
- Steam outlet valve regulates heat and moisture for perfect cooking results
