PrepTech Stick 60 Professional Stick blender

The PREPTECH Stick 60 is a powerful and reliable professional hand blender designed for intensive use in commercial kitchens. Equipped with a robust 650 W motor and built with high-resistance materials, it delivers consistent performance in every preparation. Its stainless steel blending shaft, whisk and blades ensure durability and precise results, while the variable speed control allows full versatility for sauces, purées and a wide variety of preparations. With a 80 - 180 L mixing capacity and an ergonomic grip, it offers comfort and stability during continuous use. Includes stick P154850.
