Countertop Heating lamp 24 centimeter stainless steel

Designed to create consistent, targeted heat, this countertop heat lamp by Pujadas keeps food items warm until they're ready to be served. The stainless steel construction provides impressive durability and longevity, with a sleek finish that looks great in both back- and front-of-house applications. This countertop heat lamp features a flexible neck, so you can adjust it as needed and move it anywhere in your establishment to ensure hot, high-quality results for all of your guests.
