Product Family: Food Warming Equipment

Drop in induction warmer IP WARM 50 x 35 D

The IP Warm built-in induction warming plate by Pujadas is a professional solution for keeping food hot in buffets, self-service areas and events. Its full-surface heating, combined touch + rotary control, and 50 × 35 cm vitrified glass surface with stainless steel frame ensure precise, efficient and easy-to-clean operation. With 1000 W of power and a temperature range from 40 to 100 °C in 5-degree increments, it maintains consistent serving temperatures while integrating seamlessly into any counter.

Features & Benefits

- Full-surface heating for uniform warming
- Combined touch + rotary control for fast, precise adjustment
- 50 x 35 cm ceramic glass surface with stainless steel frame
- 1000 W power output
- Adjustable temperature range from 40 to 100 °C
- Easy-clean, durable professional design
- Ideal for buffets, self-service and catering setups
