Stanchion post 95 centimeter with round base 32 centimeter stainless steel in mirror finish

Ensure a smooth and streamlined guest experience with the stanchion post by Pujadas. This post, when used with other stanchion posts and ropes (sold separately) allows you to block access to off-limit areas, control crowds by having them form lines, guide guests down a clear walking path and more. It features a strong stainless steel construction that provides impressive durability and longevity, and a heavy, round base that maintains stability. The mirror finish and sleek design create an elegant, upscale appearance, making this stanchion post a valuable addition to a wide range of establishments including catering operations, busy restaurants and hotels.
