Sharing Collection curved square display plate 35 centimeter melamine in white

Stand out from the crowd with this unique Sharing Collection curved square display plate by Pujadas, which offers an elevated presentation worthy of your most unique creations. It's made of melamine, which is a synthetic resin that becomes hardened and formed after heating. This plate looks like porcelain, but is more durable and lighter weight, so it's a better choice for busy foodservice operations. It's heat- and corrosion-resistant, has a temperature range of -20°C to 70°C (-4°F to 158°F) and features a nontoxic, odorless construction that is SGS-certified for food contact. This white 35-centimeter display plate offers a light, fresh appearance and is ideal for upscale catering operations, restaurants, hotels and more.
