Steam table pan 1/2-size gastronorm 100 millimeter deep melamine in white

With its classic white color, this steam table pan by Pujadas fits any establishment. It's made of durable, lightweight melamine, which is a synthetic resin that becomes hardened and formed after heating. This heat- and corrosion-resistant pan has a temperature range of -20°C to 70°C (-4°F to 158°F), and the nontoxic, odorless construction is SGS-certified for food contact. The 100-millimeter depth offers impressive capacity, the strong corners resist dents, and the smooth interior ensures quick cleaning. This 1/2-size gastronorm pan provides reliable performance, making it a valuable addition to restaurants, catering operations, hotels, bars, cafés and more.

MODEL INFORMATION

EAN 13	8421661220835
(W) Width (CM)	32.5
(D) Depth (CM)	26.5
(H) Height (CM)	10
Weight (KG)	13666667
Construction Material	Melamine
Material Type	Polymers
Case Lot	6

Features & Benefits

- Melamine construction is durable, lightweight, and heat- and corrosion-resistant
- White color creates a classic look
