Mini 2-compartment rectangular tray 175 x 85 mm melamine in white

This mini rectangular tray by Pujadas features two versatile compartments that are ideal for snacks, sauces, salsa and more. It's made of nontoxic, odorless melamine, which is a synthetic resin that becomes hardened and formed after heating. The result is a durable, lightweight tray that's SGS-certified for food contact with a temperature range of -20°C to 70°C (-4°F to 158°F). It's heat- and corrosion-resistant, which is ideal for a wide range of applications, and the white color is perfect for nearly any establishment.
