Ola Collection flared round bowl 20,5 centimeter melamine in white

Featuring a unique, contemporary shape, the Ola Collection flared round bowl by Pujadas is sure to wow your guests. Though it looks like porcelain, this bowl is made of melamine, which is a synthetic resin that becomes hardened and formed after heating. The result is a durable, lightweight product that's heat- and corrosion-resistant. It's also nontoxic and odorless, SGS-certified for food contact and suitable for temperatures between -20°C and 70°C (-4°F and 158°F). The white color is bright, fresh and provides the perfect neutral background for any of your delicious creations.
