Presentation Tray 46 x 35 cm

Create a captivating dining presentation with the shell-shaped melamine presentation tray. Crafted from high-quality melamine, this tray provides a lightweight alternative to porcelain without compromising on aesthetic appeal or durability. The shell-shaped design adds an elegant flair to any dining setting, enhancing the visual appeal of your culinary creations. It fits seamlessly on tabletops or buffet displays, ideal for both casual and formal dining environments. The presentation tray withstands a range of temperatures from -20ºC to 70ºC (-4ºF to 158ºF), making it suitable for serving both hot and cold dishes with ease.

Features & Benefits

- Melamine construction is durable, lightweight, heat-resistant and corrosion-resistant
