Rectangular Serving Dish

Crafted from high-quality melamine, this rectangular serving dish from the Pujadas Halo Collection provides a lightweight alternative to porcelain without compromising on aesthetic appeal or durability. The edges provide secure containment for appetizers, desserts, or main dishes, while the timeless beige finish and subtle brown rim offer a refined yet natural contrast. Whether used for buffet displays or table service, this dish complements various dining settings with its versatile design. Heat-resistant and corrosion-resistant, this dish from the Halo Collection maintains its appearance and performance over time, withstanding temperatures from -20ºC to 70ºC (-4ºF to 158ºF).
