Serving board 1/2-size gastronorm melamine with oak finish

Customize your serving area to your unique style with this serving board by Pujadas, which features an oak finish. It's made of melamine, which is a synthetic resin that becomes hardened and formed after heating for a durable performance and lightweight feel. This melamine serving board is nontoxic, odorless and SGS-certified for food contact. It's also heat- and corrosion-resistant, with a temperature range of -20°C to 70°C (-4°F to 158°F). This 1/2-size gastronorm serving board offers plenty of room, and the nonslip feet on the bottom ensure a stable, steady base for whatever you decide to serve.

MODEL INFORMATION

EAN 13	8421661226011
(W) Width (CM)	32.5
(D) Depth (CM)	26.5
(H) Height (CM)	1.2
Weight (KG)	0.8166667
Construction Material	Melamine
Material Type	Polymers
Case Lot	12
