Serving board 2/4-size gastronorm melamine with white wood surface

With a natural-looking white wood surface, this serving board by Pujadas is a trendy choice for any establishment with a rustic feel. It's made of melamine, which is a synthetic resin that becomes hardened and formed after heating for a durable performance and lightweight feel. This melamine serving board is nontoxic, odorless and SGS-certified for food contact. It's also heat- and corrosion-resistant, with a temperature range of -20°C to 70°C (-4°F to 158°F). This 1/2-size gastronorm serving board offers plenty of room for a wide range of menu items.
