Hidraulica Melamine Display board 1/3 size

The Hidraulica Melamine Display board adds a burst of Mediterranean charm to your presentation. Featuring a vibrant hydraulic tile design, this tray draws inspiration from traditional Mediterranean aesthetics, making it a standout piece for showcasing food. Perfect for buffet displays or serving and crafted from high-quality melamine, this tray provides a lightweight alternative to porcelain without compromising on aesthetic appeal or durability. The tray is both heat-resistant and corrosion-resistant, handling temperatures from -20°C to 70°C (-4°F to 158°F) with ease, making it versatile for a wide range of dishes.
