Two-piece stainless steel cocktail shaker

Elevate your cocktail-making craft with this professional silver Boston shaker set, designed for bartenders who demand reliability and precision. The set includes two stainless steel cups—an 800 ml tin and a 450 ml tin—both featuring reinforced bases for superior durability and stability during vigorous shaking. Their silver finish adds a refined touch, making this shaker an essential tool for any professional bar, restaurant, or mixology setup. Perfect for crafting classic cocktails or signature creations, this high-performance shaker ensures a smooth, secure, and efficient mixing experience.

Features & Benefits

- Two stainless steel cups: 800 ml + 450 ml
- Both cups with reinforced bases for extra durability
- Professional-grade construction for intensive use
- Secure fit between tins for confident, leak-free shaking
- Ideal for bars, restaurants, and mixologists
