Lobster cracker 14 centimeter aluminum in red

The purpose of this lobster cracker by Pujadas is unmistakable due to its bright red color and lobster clawlike shape. This lobster cracker makes it easy to open lobster claws without damaging the meat, offering a convenient guest experience and reducing waste. The aluminum construction is strong, lightweight and stands up to frequent use. This lobster cracker features jagged teeth, a smooth clamp and a strong hinge for exceptional performance, while the unique design and red color add a fun touch to any seafood service.
