Product Family: Displays Stands and Baskets

Tray stand

This folding tray stand, made of durable acacia wood with an elegant black finish, is a reliable and space-saving solution for professional foodservice. Its compact collapsible design makes setup and storage easy, while the reinforced structure provides stable support for heavy trays. Equipped with four non-slip buttons to prevent movement, it ensures safe and efficient service in restaurants, hotels, catering, and banquet settings.

Features & Benefits

- Acacia wood construction for strength and long-lasting durability
- Elegant black finish enhances presentation
- Collapsible design for easy storage and transport
- Four non-slip buttons ensure tray stability
- Lightweight yet strong design suitable for heavy-duty service
