**Product Family:** Buffet Cookware

# Lid holder

This stainless steel lid holder is designed for buffet and foodservice presentations, providing a practical and elegant way to keep lids organized during service. Made of durable stainless steel with a circular 11.5 x 11.5 x 4 cm design, it offers stable vertical storage that saves space and keeps the buffet line clean and orderly. The PVC non-slip coating ensures secure placement on any surface, preventing movement while guests serve themselves. Dishwasher-safe for easy cleaning, it is suitable for all types of pot and pan lids.

## Features & Benefits

- Made of durable stainless steel
- PVC non-slip coating for secure placement
- Ideal for buffet lid presentation
- Suitable for all types of lids
- Dishwasher-safe
- Compact 11.5 x 11.5 x 4 cm circular format
