Rice cooker 5 2/5 liter 220 to 230 volt stainless steel and plastic

Cooking large quantities of rice has never been easier than with the rice cooker by Pujadas. Designed to produce optimal results with the lowest power usage possible, this rice cooker offers efficient, accurate heat. The temperature control is exceptionally precise, preventing over- or undercooking, and the 5 2/5-liter capacity is perfect for busy establishments. The stainless steel and plastic provide impressive durability, longevity and quick cleaning, and the simple buttons ensure a smooth user experience. With built-in features like a timer, warm mode and more, this versatile rice cooker is easy to use and produces exceptional results.
