Product Family: Stainless Steel Trolleys

Paneled Serving Trolley 98 x 58 cm with 3 levels

The Paneled Serving Trolley is an essential tool for efficient transport in hotels or restaurants. Designed with two levels, this trolley is perfect for both service and cleaning, allowing staff to streamline their operations while maintaining a professional appearance. With a total maximum load capacity of 250 kg, each level supporting up to 80 kg, this trolley allows for versatile storage and transport of food and supplies. The wheels, measuring 12 cm in diameter, are designed for easy maneuverability, featuring two brakes for secure positioning when needed.

Features & Benefits

- Two-level design for versatile service and cleaning
- Stainless steel structure ensures durability and longevity
- Maximum load capacity of 250 kg; each shelf supports up to 80 kg
- Two brakes for easy movement and stability
- Available in welded or dismountable options for customizable use
