Product Family: Special Trolleys

Dish Trolley for 100 dishes

The Plate Trolley is an essential tool for any professional kitchen, designed to maximize efficiency and streamline the plate-up process. With the ability to hold up to 100 plates, this trolley adapts to various dining needs. Its adjustable system allows for the accommodation of different plate sizes, with a maximum diameter of 34.5 cm, so you can easily switch between different types of dishes without the need for multiple trolleys. Constructed from robust carbon steel with an anti-corrosion coating, the Plate Trolley is built to withstand the rigors of a busy kitchen environment.
