

Article: P80793

Product Family: Special Trolleys

Polyethylene Dish trolley cover

Designed exclusively for the P80790 plate cart, this reinforced high-density polyethylene cover ensures maximum hygiene and protection during transport and storage. Its four full-access zippers make loading and unloading easy from any side, while the handle opening allows comfortable maneuvering. Lightweight, durable and easy to clean, it provides reliable protection against dust and dirt in demanding professional environments.

Features & Benefits

- Four zippers for complete all-side access
- Reinforced high-density polyethylene construction
- Handle opening for easy and ergonomic transport
- Fully compatible with the P80790 plate cart
- Ensures hygienic transport and storage
- Shields plates from dust and contamination
- Easy to clean and disinfect
- Lightweight yet highly durable
