Product Family: Stainless Steel Trolleys

Self-Service Trolley with 24 Rails with two side panels

The Self-Service Trolley is a practical solution for fast food and dining establishments, specifically designed to accommodate trays ranging from 325 mm to 525 mm in width. This versatility ensures compatibility with many fast food trays, making it an excellent choice for high-volume service environments. This trolley features 24 rails, providing ample space for organizing trays efficiently. The inclusion of aluminum and composite side panels enhances the trolley's durability while providing a sleek, professional appearance. Its robust stainless steel construction ensures stability and durability, allowing for easy handling and transport of food items.

MODEL INFORMATION

EAN 13	8421661616713
(W) Width (CM)	100.5
(D) Depth (CM)	66
(H) Height (CM)	171
Weight (KG)	48.09
Material Type	Metals
Case Lot	1
