Product Family: Food Warming Equipment

Hot cupboard 230-volt stainless steel for 11 GN 2/1 pans or 22 GN 1/1 pans

Offering superior performance and impressive energy efficiency, the hot cupboard by Pujadas is sure to impress. It features a temperature range of 0°C to 100°C (32°F to 212 °F) and a strong stainless steel construction that provides impressive durability and longevity. With thick thermal insulation, this cabinet promises fast, long-lasting heat and stops it from escaping. The smooth interior allows quick, easy cleaning, and rotating casters promise smooth maneuvering. The two front casters can lock, preventing unwanted movement. Designed to keep both food and plates warm, this hot cupboard accommodates twenty 2/1-size gastronorm pans, or forty 1/1-size gastronorm pans, and ensures warm, delicious results.

Features & Benefits

- Stainless steel construction provides impressive durability and longevity
