Product Family: Grill Cookware

GN 1/2 Special Grill Tray

The GN 1/2 special grill tray is designed to withstand the demanding conditions of professional kitchens. Made from gravity-cast aluminum, this tray offers exceptional resistance to high temperatures, making it ideal for use with charcoal ovens and open flames. Despite its lightweight construction, the tray is incredibly robust, with a thickness exceeding 6 mm for superior durability. A three-layer ceramic non-stick coating enhances its performance, ensuring long-lasting durability and effortless food release, even under heavy use. This grill tray is a versatile and reliable choice for high-heat cooking applications.

Features & Benefits

- 32.5 x 26.5 x 6.5
- Gravity-cast aluminum provides excellent heat resistance and lightweight durability
- Perfect for charcoal ovens and open flames
- Reinforced with a thickness of over 6 mm for unmatched sturdiness
- Three-layer ceramic non-stick coating ensures effortless food release and prolonged durability
