Countertop Charcoal Oven 140 Red

The charcoal oven 140 by Pujadas offers a performance like no other and can accommodate up to 140 servings at one time. Made of top-quality stainless steel and lined with the best insulating materials, this charcoal oven maximizes heat on the inside while preventing heat radiation to the outside. The interior chamber recirculates air for even heat distribution, leading to better results and faster cooking. This charcoal oven creates fast, powerful heat, with a temperature range between 250°C and 450°C (482°F to 842°F).

EAN 13	8421661630672

UNIT DIMENSIONS

(W) Width (CM)	86
(D) Depth (CM)	87.2
(H) Height (CM)	114.5

WEIGHT

Weight (KG)	320

FEATURES

- The sunken charcoal hopper maximizes space inside the oven, and the higher lid provides enough room for several grills or large food items. With plenty of grill tracks, this charcoal oven offers impressive versatility and allows you to set the grill at the exact height you need. The door and ash drawer handles are made of tubular stainless steel, offering superior insulation for a comfortable grip. An internal spark arrester improves safety by preventing hot exhaust particles from escaping. This versatile oven is suitable for indoor or outdoor use, features a stunning metallic finish and comes with a collection of accessories to ensure a smooth operation and superior results.
- Top-quality stainless steel construction

- Metallic finish creates a sleek, stunning presentation
- Reliable insulation maximizes heat on the inside while preventing heat radiation to the outside
- Interior chamber recirculates air for even heat distribution
- Creates fast, powerful heat, with temperature range between 250°C and 450°C (482°F to 842°F)
