Product Family: Cutting Boards

Black Eco-friendly cutting board 60 x 40 cm

Eco-friendly paper fiber cutting boards designed for professional kitchens seeking durability, hygiene, and sustainability. Made from recycled paper fiber, they deliver exceptional strength—35% denser than standard cutting boards—while supporting responsible material use. Ideal for intensive daily service, they resist deep cuts, remain stable thanks to silicone feet, and are fully dishwasher-safe for easy cleaning. A long-lasting, sustainable alternative for modern foodservice environments.
